

EU MBA GRADUATE PROFILE

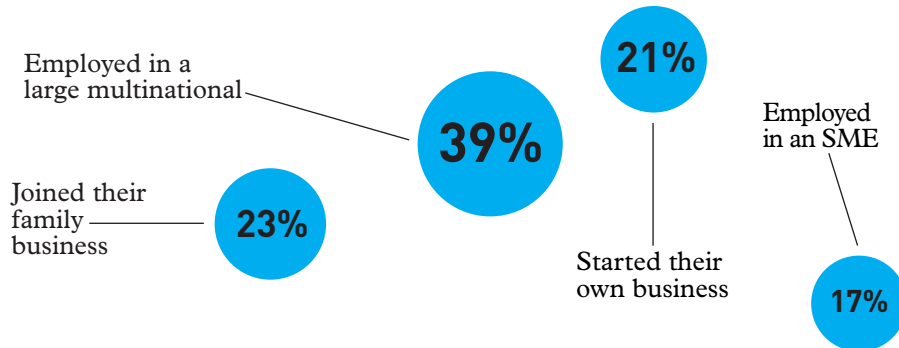

Patricia's career has steadily progressed over 15 years at Coca-Cola. Her strengths in marketing and management have allowed her to become a leader in her industry. She says: "There is no telling how far one can go if one is willing to let other people take the credit."

Patricia Kirkpatrick | Spain
MBA | Assets & Promotions Manager, Coca-Cola Music

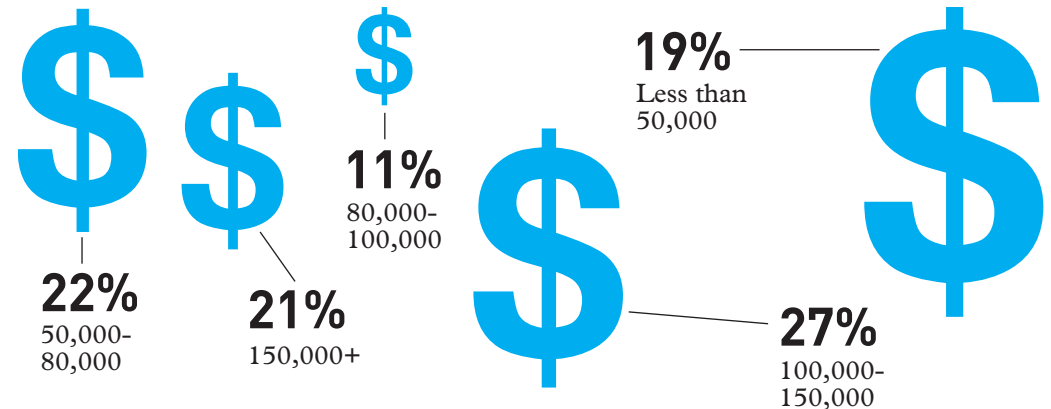

"EU has always had a visionary approach, it prepared us for the world: the professors had international experience; it already had campuses in many countries; and the student population was international and diverse. EU prepares students for a world where cultural sensitivity is paramount."

Michel Miserez | Belgium
MBA | Vice President Western Europe, Marriott International
